

15 October 2009

Dear members of the ELN,

with this newsletter we want to inform you about new input regarding the website-content.

1. Abstracts and ppt presentations of CML meetings available on the EUTOS website

A new section of the EUTOS website has been arranged to offer information about actual and forthcoming meetings. You will find announcements, agendas and to some extent also ppt-slides from the scientific programme. Please have a look at **News on ELN**:

4. Contribution of ELN members to a multilingual website

To improve the international character of the ELN and to offer basic information to non-English speakers a section with a description of the ELN in various European languages has been included to the ELN website.

http://www.leukemia-net.org/content/home/content/home/translation_leukemia/

The following languages are available: Czech, Danish, Dutch, Finnish, French, German, Greek, Italian, Polish, Spanish and Turkish . Please feel free to contribute more translations to advance that section.

We hope you feel this newsletter is helpful. If you have any problems just let us know.

With kindest regards,
